CAREER OPPORTUNITY

Part Time Child & Family Development Aide

Pacekids Programs is looking for a Child & Family Development Aide to work in the Calgary area as a part of our in-home programs funded through Family Support for Children with Disabilities (FSCD). The position is part time (10-30 hours/week) with the possibility of additional hours in the future, dependent on family availability.

Pacekids offers a variety of programs to children in the Calgary area, including our Early Childhood Services (ECS) Preschool and Kindergarten programs funded by Alberta Learning and our in-home programs funded through Family Support for Children with Disabilities (FSCD). Pacekids Programs is child & family centred and strives for excellence in the therapy, education and family empowerment of children with special needs.

The Pacekids' Child & Family Development Aide's main responsibility is to implement strategies to target the child's individual goals outlined in their Service Providers Program Plan (SPPP), supporting both the development of the child, as well as the functioning and development of the family unit

RESPONSIBILITIES

- Carry out the SPPP in the child's home and at any other domains as identified, such as a day home or community
- Plan activities that promote the SPPP goals in consultation with the therapist and/or supervisor
- Plan activities that promote the development of daily living skills which may include: feeding, dressing, toileting
- Implement independent and supported play
- Utilize adaptive equipment to promote mobility & independence
- Promote development of communication skills, which may include the use of assistive technology, sign language or picture symbols
- Provide a fun, positive environment that encourages child's success and is mindful of principles of child development
- Support and enable parents to transfer skills into their home environment
- Take weekly data on all goals implemented with child
- Attend monthly staff meetings and training sessions offered at Pacekids Programs
- Work in collaboration with other individuals involved in care of the child

Pacekids Programs is family focused and strives for excellence in the therapy, education and family empowerment of children with special needs.
