Golf & Country Club

Dear 2021 Putting for Pace Participant,

We are grateful you have taken the time to join Pacekids Programs at the beautiful Cottonwood Golf & Country Club for the second annual Putting for Pace presented by BD&P.

Events like this, and more importantly, generous supporters like you, make the work that we do at Pacekids possible.

Since 1994, Pacekids has been providing critical early intervention and educational programs to the families who need us most and working diligently to ensure that each and every child thrives.

We look forward to hosting you and sharing how you've made a difference to over 600 children and families in the Calgary community.

With gratitude,
