Sponsorship Opportunities

Enjoy a day on the greens in support of Pacekids Programs, a Calgary charity supporting children with diverse needs and their families through excellence in therapy, education, and play.

About Pacekids Programs

Since 1994, Pacekids has impacted the lives of thousands of children and families. Serving children with diverse needs in the Calgary community, Pacekids believes that every child deserves to thrive and provides unique programs and services to ensure they can do just that.

The Cause

All funds raised at Putting for Pace directly support over 600 children and their families every year. You'll help set the pace for early intervention excellence in the Calgary community.

When you invest in Pacekids, you are:

- Empowering families to support their child with diverse needs
- Helping children with diverse needs meet milestones many were told they would never meet
- Ensuring every child can thrive and become the greatest version of themselves
- Creating a community where children's unique needs are met, and they are set up for a successful future
- Providing dynamic and individualized support to each child Pacekids serves meeting their unique needs

Thank you, Cottonwood Golf & Country Club!

Pacekids is incredibly grateful for the continued support of Cottonwood Golf & Country Club and the Edward's family for making Putting for Pace possible.

Situated along the picturesque Bow River, this beautifully designed and well-maintained private golf course is located 15 minutes southeast of Calgary.

For the past 30 years, Cottonwood Golf & Country Club has provided a "home away from home" for members and guests, and placed an emphasis on community involvement with local charities, programs, and foundations.
