About Pacekids

For over 30 years, Pacekids Programs has worked to ensure that children with diverse needs and their families have access to the best programming, therapies, and services, providing them with every opportunity to thrive.

From as young as six months of age, Pacekids provides support in a dynamic, play-based environment that specializes in family-centered therapeutic learning designed to nurture each child's unique developmental and physical potential.

Pacekids Programs proudly serves 700 children with diverse needs and their families each year — in the home, in the classroom, and in the community.

Our Services

Early Childhood Services (ECS)

Pacekids provides preschool and kindergarten programs for children aged 2 years 8 months to 6 years that can be accessed through Program Unit Funding (PUF) with Alberta Education.

Community and In-Home Programs

Pacekids offers programming for children funded through Family Services for Children with Disabilities (FSCD), including Behavioural & Developmental Supports, Specialized Services, and Triple P.
